.....the poor committeth himself unto thee; thou art the helper of the fatherless. *Ps. 10:14*

Dear HCH supporters and friends,

It is beginning to get getting very *hot* in India now. In fact, the reason I am planning my trip there in July is to avoid the heat! When I visited in June of 2003, the temperatures were around 115 degrees each day until the monsoon rains came about mid June. Then it dropped into the mid 90's!

Bro. Mathew is now in the process of admitting new kids. In a month's time 10 new kids should be receiving the benefits of the HCH. The Lord willing, I should have some new children to introduce to you next newsletter.

Thank you so much for your gifts of love to these children. Kept by Him,

*Shawn, Lam. 3:22-23*

Dear friends, we cannot believe but almost one school year is at the close. All the children are preparing hard for their annual examinations in their respective classes. Please pray for all the children since they will be writing their final exams during the month of April. The summer is getting hotter and going to school is also getting harder. The children are studying hard in the early morning and also in the evening to get good grades in the exams. In the past they had no heart to study and never concentrate in the studies. But due to home atmosphere, and our tutors made them to study hard and now they are concentrating on the studies. Due to summer the schools are running for morning sessions only from March. Thank you for your faithfulness in supporting these children. May God Bless you.

Dear HCH supporters, the Lord willing, I will be making a trip to Visakhapatnam in the late summer to visit the HCH. If you are interested in going with me just contact me. The trip is about \$2000.00. If you come, I know you will be blessed.
