HCH Newsletter

... the poor committeth himself unto thee; thou art the helper of the fatherless. Ps. 10:14

Dear supporters and friends,

I am particularly excited to mail out this HCH newsletter because a goal had been set, and that goal has been met for God's glory. The children now have a van for transportation to school, activities and church meetings abroad. A special thanks to all of you who have given toward this goal. Bro.Mathew looked for a good while for a van with an extended roof so that the kids could stand up and he found one in Chennai (formerly called Madras).

For the next two weeks Bro.Eddie Kelso (my brother in law and supporter of the HCH) will be in India preaching. While he is there he will visit with the children and bring gifts. I look forward to going myself in February.

Thanks for your love for these kids!

Bro.Shawn Lam. 3:22-23

Dear Friends,

The Children in the HCH are doing fine and growing in the Lord. The daily schedule makes them busy to read God's Word, spend time in prayer, learn Christian songs, and also study they regular schoolbooks. Most of them are able to score good grades in the school. They are slowly picking up both physically and spiritually.

The girl Raveena became sick three weeks ago. The medical tests revealed that she had a problem in the kidneys. Her face was swollen and other complications had aroused. But due to early diagnose and good treatment by good doctors, she was now doing fine. Fortunately Abraham's wife Jessie is working in the kidney department of city's biggest hospital. Raveena is now able to to go school and by God's grace she was healed.

Bro.Mathew
