.....the poor *committeth* himself unto thee; thou art the helper of the fatherless. Ps. 10:14

Dear HCH supporters and friends,

Well, it is starting to heat up in India now. This is generally the time of year that you don't want to visit the country unless you like temperatures around 100 degrees every day and high humidity to boot. The kids are just finishing their final exams and will enter their "summer break". They will start classes in the Indian public school system again the first week of June.

Bro. Mathew is president of the Fellowship of Indigenous Gospel Churches in southeastern India. This fellowship includes about 120 churches spread out mostly over the state of Andhra Pradesh. It is through the F.I.G.C. that children are recommended to the HCH. The F.I.G.C. publishes a magazine periodically giving updates to happenings in the F.I.G.C. Through your gifts and the Lord's mercy, we now have enough finances to accept more children into the HCH. Bro. Mathew states below he recently advertised through the magazine to all the 120 churches stating that fact. Many pastors will respond recommending children to the HCH. Bro. Mathew and Bro. Abraham will then review each child as to their qualification for entrance.

The van fund now is at \$4000.00! Only \$1000.00 to go before the kids can have transportation to school, outings, and other church meetings.

Below is the latest photo of the kids. 3 of the kids are not pictured because they were in classes taking their exams when Bro. Mathew snapped this. They certainly are growing!!

On a personal note, Tuesday April the 11th the Lord blessed Jennifer and I with a new baby girl!! Molly Jo Anne Drewett

Was born 6lbs 14 ounces and 20 inches long. That's right, 2 years of marriage and 2 kids!! We are thankful.

Bro. Shawn

Lam. 3:22-23

Dear Bro. Shawn, I put an ad in my magazine for the new children. I will be taking more children before the end of May. The school year starts in the first week of June.

The children studied hard for their annual exams. They will be finishing the exams by tomorrow. Everyone will be promoted to the next grade. The children are growing both physically, mentally and spiritually. They are learning and studying the Bible stories. They are memorizing one Bible verse each day. They are all happy that they are in the home. Their lifestyle and future has been drastically changed due to the HCH .
