Dear HCH friends,

As you can see from the pictures the Lord has really been blessing the Hope Children's Home. Along with several material and practical blessings we have been able to welcome a new girl and boy into the home! You can see their photos above. Their Bio's are available as well on www.hopechildrenshome.homestead.com. Three children have moved on for various reasons. In the case of Raju Chadalavada: A miracle took place. The father came back to his family after 12 years of absence in May. We praise the Lord for this. In the case of Raju Landa: His Mother became ill and wanted him to come back home to help earn a living. A close relative found a small job for him in Chennai. Raju L. has been in the HCH since its inception. I pray that the ministry of the HCH made a lifetime impact. Suresh Asadi: His mother recently has recovered from a long illness and is able to take the boy back.

I want to thank you for making all these things possible. The Lord willing Bro. Mathew will be coming to visit America within the next 3 months. I look forward to seeing him. If you would like for him to come to your church just contact me.
