### *Lydia is saved and baptized!*

*Dear Brother,*

*The children in the home are doing fine. They all came to the big meetings which were held in Kakinada from 12<sup>th</sup> to 15<sup>th</sup> January. They all had a chance to sing a song before the crowd of 4000. They sang really well. They had wonderful time at the big meetings. We had special services for children during morning and afternoon sessions. The Tri-state college students had a special time with the children during these big meetings. Last year two children Ester, and Ramani accepted the Lord and obeyed in Baptism. During these meetings Lydia accepted the Lord and obeyed in Baptism. All our children are keeping in good health. At present there are 28 children in the home. This winter the temperature has gone down drastically. Visakhapatnam witnessed 63 F but the average temperature during winter is around 77 F. This may not be cool to you but it really cool to most Indians since they are used to hot weather. But even then our children kept warm with some extra clothes & blankets. The solar heater also gave nice hot water even during this season. Kindly pray for Lalita & Anusha as they are preparing to write their 10 class exams which are scheduled to be held in March. The result of this class exam is most important since it determines which way they should go in the next higher studies. They are studying hard to get good rank. Pray also for the remaining children as they are also studying hard to get good results in their respective classes. Thank you once again.*

*Bro. Mathew Henry*

Dear HCH supporters and friends,

This is the first email send out of the HCH newsletter. I am still learning so you may see more improvements as time goes on. I am so thrilled with the recent report of Lydia's baptism. The whole purpose of the HCH is so that Indian children can be saved and become missionaries to this spiritually dark country. Bro.Mathew may be coming to the U.S. in a couple of months. It's been about 4 years since he last came and I will look forward to his visit.I want to say THANK YOU once again for your gifts so that children like Lydia can be saved. I will do a paper mail out report at the end of the year with your total donations to the Hope Childrens Home.
